Captain is a goofy 65-pound Sheepadoodle (Old English Sheepdog and Poodle mix). He enjoys playing soccer and spending time lounging in the sun. When he plays, he plays hard, but when he's relaxing, he'll sleep for hours. Going in the car only means good things for Captain because he knows he's either going somewhere, or he's getting a pup cup. He loves people, especially kids, and just wants to make you smile!
